Who is Taurus batteries Namibia?

Taurus Batteries Namibia was established in windhoek as a convenient warehouse facility for our existing distribution network. We stock the full SBMA (South African Battery Manufacturers Association) range of batteries available for automotive, leisure or deep cycle (solar and golf cart) applications.

Should you include a battery in your solar solution?

Including a battery in your solar solution on time of use tariff sites allows you to eliminate grid consumption during high tariff periods (time shifting). The peak grid power draw (maximum demand) can also be limited to save a fortune on monthly utility bills (peak load shaving). Freedom Won is driven by challenge.
