

EQACC SOLAR

Wholesale bess storage system in Lisbon

Overview

Does Portugal support battery energy storage projects?

Portugal has awarded grant support to around 500MW of battery energy storage system (BESS) projects, using EU Recovery and Resilience Plan (RRP) funding, a bloc-wide scheme that has supported energy storage across the continent.

Who won Portugal's new battery energy storage system tender?

(EUR 1 = USD 1.048) Aquila Clean Energy EMEA, the European renewable energy arm of German investment management firm Aquila Group, announced that it was among the winners in Portugal's latest battery energy storage system (BESS) tender, securing 40 MW across two projects.

Does greenvolt have a Bess project in Portugal?

Greenvolt and Galp have both deployed 5MW BESS projects in Portugal in the past. In eastern Europe, Moldova is in the process of completing a bidding process for the procurement of a 75MW BESS and 22MW internal combustion engine (ICE) project, called the Moldova Energy Security Project (MESA).

How much does a 500 MW energy storage project cost in Portugal?

Earlier this year, the Portuguese government announced the outcome of an energy storage tender that will see the installation of 500 MW of energy storage capacity to support the country's energy transition. According to the provisional results, 43 projects were selected to receive just below EUR 100 million (USD 104.7m). (EUR 1 = USD 1.048)

Wholesale bess storage system in Lisbon

Portugal battery storage bess

The BESS will inject the stored renewable energy into the Public Service Electricity Grid (RESP) in, it added, a "dynamic and optimised way, reducing energy losses and optimising its use." The ...
