

**EQACC SOLAR**

# **Wholesale switchgear breaker in Netherlands**

## Overview

---

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one foot away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

Who is SGC - switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC - SwitchGear Company provides reliable products for electrical distribution applications.

Does reliagear offer extended low voltage circuit breaker?

In addition, we also offer the extended low voltage ReliaGear ® in the United States and Canada. ReliaGear provides world-leading ABB circuit breaker technology and it has American National Standards Institute (ANSI) certification.
