

EQACC SOLAR

Zagreb solar Energy Storage Enterprise

Overview

What is solar flex in Zagreb?

Launching in March 2025, the Solar Flex event in Zagreb will be the partnership's flagship initiative, a platform that will focus on sharing best practices from across Europe to find solutions to enhance the grid flexibility, remove barriers and accelerate solar deployment in Croatia and the wider region. "Croatia has vast untapped solar potential.

Could solar energy be a key to Croatia's energy future?

"Croatia has vast untapped solar potential. By modernising grid infrastructure, supporting energy storage solutions and remove barriers such as the high grid connection costs, we can bring solar energy to the forefront of Croatia's energy future."

Why is Solarpower Europe partnering with Res Croatia?

SolarPower Europe's partnership with RES Croatia underscores our dedication to supporting Croatia and its neighbours overcome barriers to renewable energy growth, including high grid connection costs and the need for an updated grid infrastructure to support solar projects.

Who is Zee energy storage?

ZOE Energy Storage established, with an R&D center that developed liquid cooling ESS and planned a intelligent factory. Product: Launched the Z Box Series ESS and obtained relevant certifications. R&D: Achieved TÜV Rheinland Witnessed Test Lab qualification. Manufacturing: 2GWh factory launched, 12GWh capacity planned.
